

2. Charging via MacBook Pro:

Connect the powerbank to a free USB C port on your MacBook Pro.

Compatibility

The powerbank is compatible with MacBook or MacBook Pro and all Smartphones, Tablets and other USB powered devices with 5V charging input. To charge your devices with powerbank, plug this charging USB C cable into the USB output. The supplied cable is able to charge all mobile devices which have a USB C input. For other devices, please use the cable supplied by manufacturer. Pull the cable from the mobile device after finishing charging. The powerbank would automatically shut off after a few seconds.

Safety Notice

- Fully charge the powerbank once before first use.
- Use the included cable to charge the powerbank.
- In order to ensure the durability of the battery during irregular use, charge the powerbank once every three months.

- Charging by unsupervised, short circuit or mechanical damage would cause overheating and fire.
- Do not immerse the product in water or other liquids.
- Handle the product carefully. Shocks, vibrations or fall from a low height can damage the product.
- If liquid is leaking, stop using the device.
- A remodeling or modification of the product would affect the safety.
Risk of injury!
- Don't open the appliance without proper authorization and don't perform repairs yourself!
